Design is now not just a simple presentation of a product's appearance but an encapsulation of solution, experience and elements that help fulfill the dreams of customers. The 21st century is known as the leading era for such designs. In this present era, design is not only a cultural issue and code that changes life but it is also part of our everyday lives.

Gaenari Wallpaper will continue to strive to become a leading company in future design with differentiated and high-quality products. Since our founding in 1977, Gaenari Wallpaper has been a leading company in comfortable housing culture through continuous business innovation, technological development, systematic human resource development and customer satisfaction.

We have strived to abide by our management philosophy of 'Touching the hearts of customers via products and services of the highest quality.' At Gaenari Wallpaper, we practice innovative design management while creating a comfortable and sophisticated living space based on the know-how of business management.
